

# Muffin Tops Quilt *Tip*

## Cut Muffin Tops from Fat Quarters

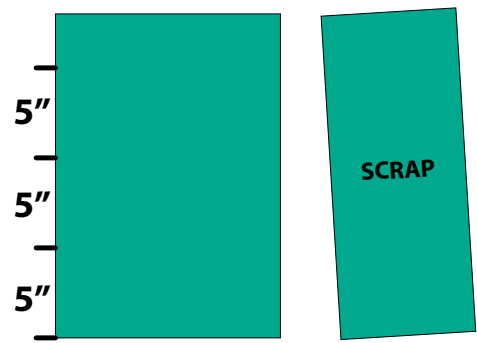

This tip just shows how to use Fat Quarters to cut your Muffin Tops. It requires the Muffin Tops Quilt pattern to complete!

The pattern instructs you to cut a WOF strip and to cut your Muffin Tops from that.

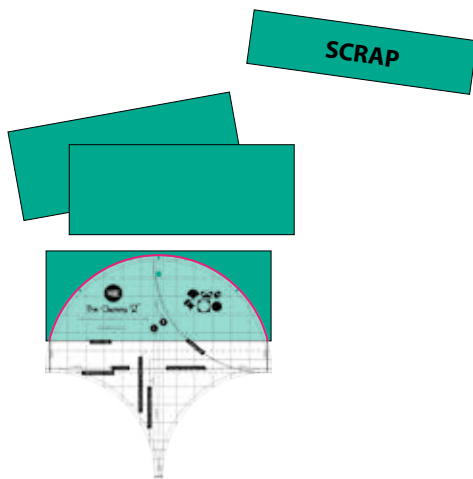

You can also use your Fat Quarters (approximately 18 x 20")! First measure 12½" from the left edge of the FQ and cut to make a 12½" x 18" piece. Set smaller piece aside.

Then cut three 12½" x 5" pieces. Set small remaining piece of fabric aside.

Place the Muffin Tops line on the bottom of each of these making sure the Clammy is centered. Cut along top edge discarding top corners. Repeat with the remaining two. .

Continue following pattern to complete making your Muffin Tops Quilt!
