

## The Hills Quilt

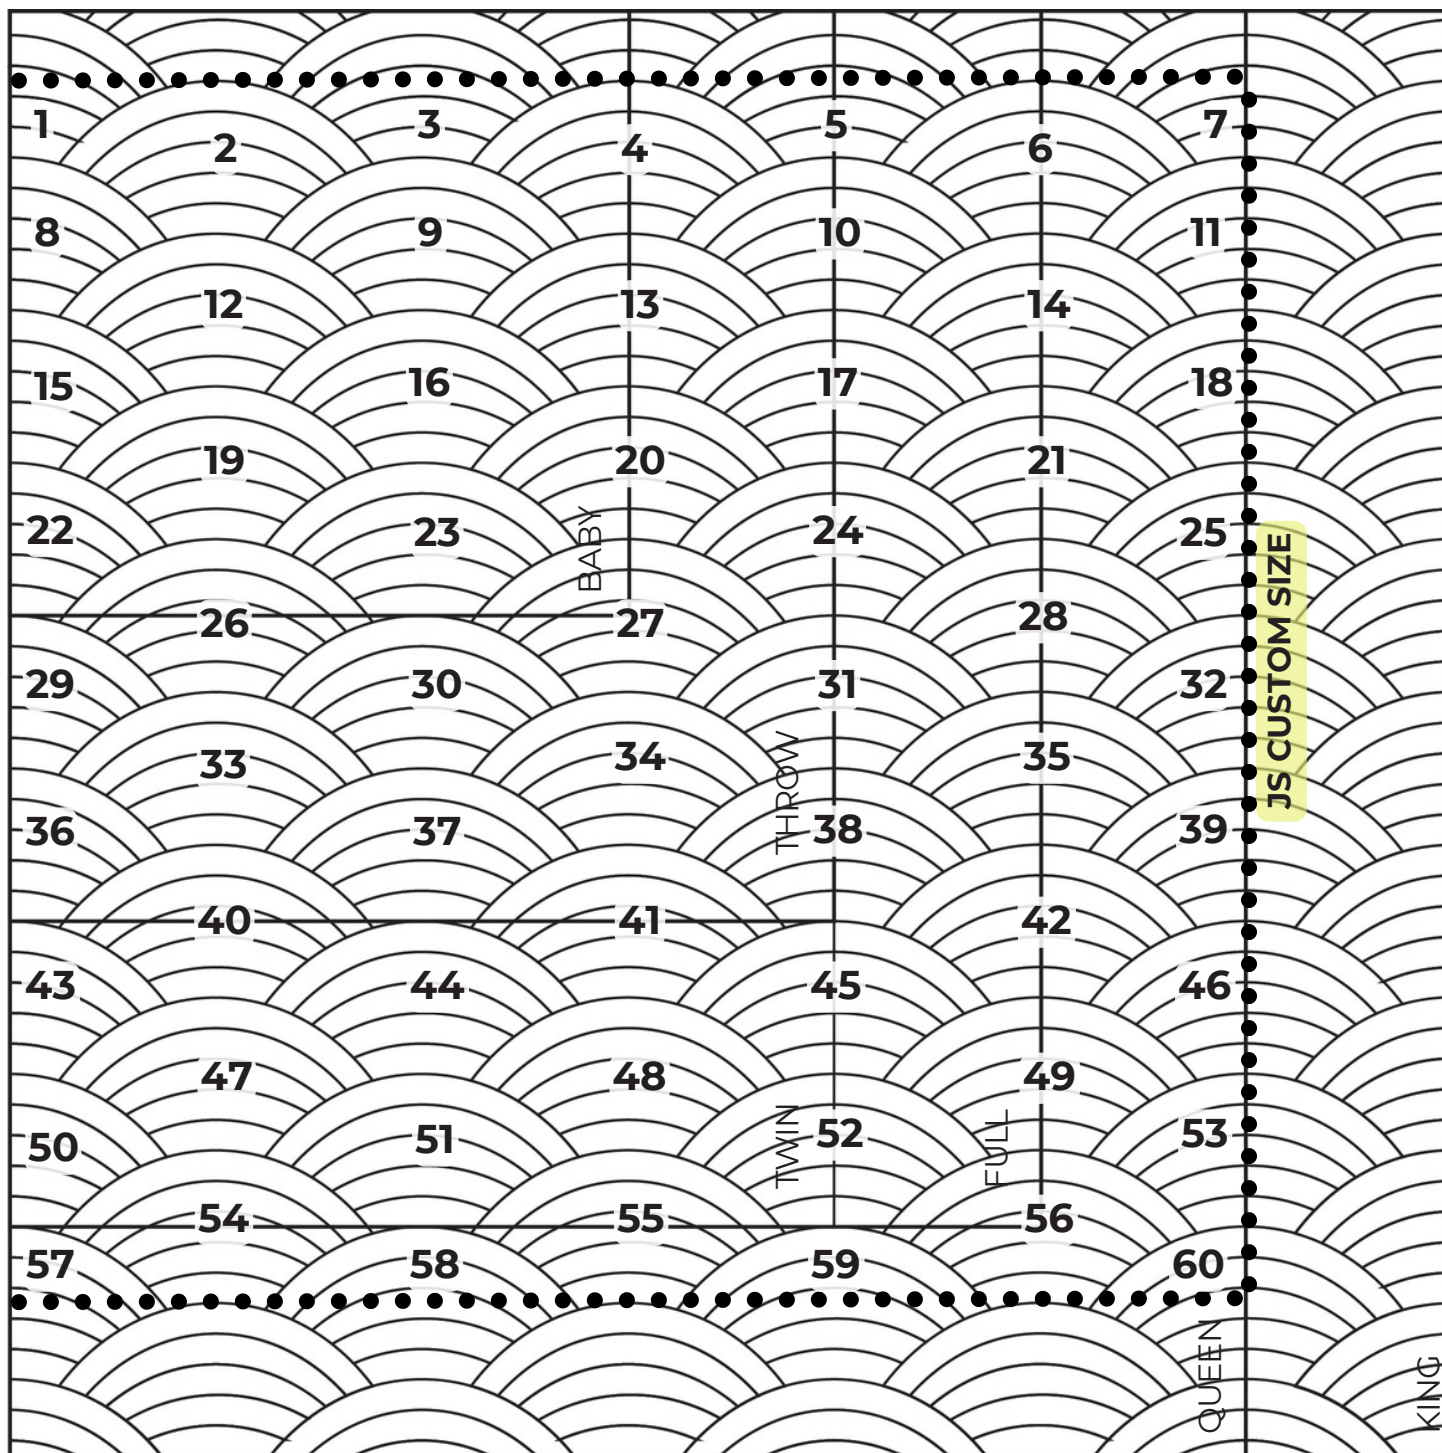

80" x 92"

Molehills Quilt Pattern by Latifah Saafir, [shop.latifahsaafirstudios.com](http://shop.latifahsaafirstudios.com). The Hills color story by Jennifer Sampou, using Chalk and Charcoal and SKY Ombré fabrics, kit available at [jennifesampou.com](http://jennifesampou.com).

*Jennifer Sampou*

© 2023 Copyright Jennifer Sampou and Latifah Saafir Studios, LL3. All rights reserved.

Note: The JS custom size starts with fans 1, 3, 5, and 7 cut in half horizontally, showing only the bottom section of the fans at the top of the quilt. This is specific to the JS size, not the standard sizes in the original pattern.

F1-F60 - Fans | 1,2,3,4,5 - Arcs | (B) - Backside of fabric | Green - Chalk and Charcoal | Blue - SKY Ombré

Updated 2/15/24: PLEASE NOTE\* This color map is to be used as a general guide. The goal is not to replicate my quilt exactly, but to inspire you to create your own unique masterpiece. The forgiving nature of SKY Ombré fabrics ensures a harmonious blend of colors, regardless of arrangement, as long as you maintain color family groupings. DO NOT PRE-WASH your fabrics, you will not be able to cut all your arcs. Sampou fabrics don't bleed, so you can wash the quilt once it's pieced together.
